# Course content

## Why Attend

Ethics and accountability are cornerstones of effective governance and public trust. This course provides government professionals with the tools and frameworks to promote ethical behavior, ensure transparency, and enhance accountability in public service. Participants will explore real-world scenarios, understand the consequences of ethical lapses, and learn strategies to build a culture of integrity within their organizations.

## Course Methodology

The course employs a dynamic and interactive approach, including:

- Lectures and presentations to explain ethical principles and accountability frameworks.
- Case studies to analyze examples of ethical dilemmas and their resolutions.
- Group discussions to exchange insights and explore best practices.
- Role-playing exercises to simulate decision-making in ethical scenarios.
- Action planning to integrate ethics and accountability into daily operations.

## Course Objectives

By the end of this course, participants will be able to:

- Understand the principles of ethics and their role in governance.
- Identify common ethical challenges in government and public service.
- Apply accountability frameworks to ensure transparency and trust.
- Develop policies and practices that foster ethical behavior.
- Recognize the impact of corruption and strategies to combat it.
- Build organizational cultures that prioritize integrity and fairness.

## Target Audience

# Course content

## Target Audience

This course is designed for:

- Government officials and public administrators.
- Leaders and managers in the public sector.
- Ethics officers and compliance professionals.
- Auditors and risk management personnel.
- Professionals seeking to enhance governance in public service.

## Target Competencies

Participants will develop competencies in:

- Ethical decision-making and judgment
- Promoting transparency and accountability
- Recognizing and addressing conflicts of interest
- Implementing anti-corruption measures
- Creating organizational ethics programs
- Fostering public trust and confidence

## Course outline
