Teamwork & People Development

Human Resources and Training

— Seminar content

What you will learn

Why Choose Teamwork & People Development Training Course?

Individuals do not often work in isolation. Work is primarily a group-based activity and if an organization is to be effective, it needs effective team working at all levels.

This practical training course will also focus on how to deal with others and how to understand your own and others behavior.

This Teamwork & People Development training course examines the key ingredients of successful team working, which will help build and develop teams within the organization.

The training course also includes a number of practical team building activities that are educationally and professionally enriching.

This Teamwork & People Development training course will feature:

- Insight into effective teamwork skills and competencies
