Why Attend

Why Choose Agile Organizational Change Training Course?

Long-term organizational success is dependent on the ability to adapt and change rapidly in a fast-paced world, grabbing new opportunities and guarding against impending threats. Agile organizations are able to anticipate changing conditions; from new innovations to geopolitical trends, and nimble enough to capitalise on fresh situations as they arise. It up to organizational leaders to create the conditions in which people are willing and able to adapt swiftly to changing circumstances. If, on top of this, employees learn to regulate and channel their own responses to change, then there is a synergistic effect that leads to a truly Agile Organization.

This Agile Organizational Change training course will feature:

- The principles, practices and benefits of Agile Organisational Change
- Scanning the horizon for change
- Leading Agile Organisational Change
- Developing workforce agility to change
- Engaging senior stakeholders positively with change
- Embedding and Sustaining organizational change

What are the Goals?

By the end of this training course, participants will be able to:

- Excel as a leader in times of change by applying the principles of Agile Organizational Change
- Engage colleagues and the wider workforce to work constructively with change
- Anticipate and respond rapidly to new opportunities and threats
- Set clear direction, help people embrace new habits, and make change stick
- Apply best practice tools, templates and plans
- Maximising and sustaining the benefits of change
