Course content

Why Attend

Why Attend Professional TV presenting requires confidence, clear communication, audience connection, strong on-camera presence, and the ability to perform under pressure. Successful presenters combine voice control, interviewing skills, script awareness, and live broadcasting techniques to deliver engaging content across television and digital platforms. This course provides participants with practical skills to become confident and professional TV presenters.

Course Methodology This course uses an interactive and practical approach through presentations, studio simulations, on-camera practice, voice coaching, interview exercises, scriptwriting workshops, feedback sessions, and real broadcasting examples.

Course Objectives

- Understand the television industry and presenter responsibilities
- Develop professional on-camera confidence and presence
- Improve vocal delivery and communication techniques
- Master interviewing and questioning skills
- Write and deliver scripts effectively
- Use teleprompters confidently and naturally
- Handle live broadcasting challenges professionally
- Create a strong personal showreel for career growth
