## Why Attend

Why Attend Organizations are constantly adapting to changing business environments, technologies, and workforce expectations. HR professionals play a critical role in ensuring successful change implementation by supporting employees, managing resistance, and fostering engagement. This course provides practical tools and strategies for planning, communicating, and leading organizational change while maximizing employee commitment and organizational performance.

**Course Methodology** The course combines presentations, case studies, practical exercises, group discussions, role plays, change simulations, stakeholder analysis workshops, and action-planning activities to ensure practical application of change management principles.

**Course Objectives** By the end of this course, participants will be able to:

- Understand the principles and frameworks of organizational change management
- Define HR's strategic role in leading and supporting change initiatives
- Develop structured change management plans and stakeholder strategies
- Communicate change effectively to different audiences
- Manage resistance and build employee readiness for change
- Enhance workforce capability and engagement during transformation initiatives
- Develop sustainable approaches for successful organizational change

## Target Audience

- HR managers and professionals
- Organizational development specialists
- Learning and development professionals
- Change management practitioners
- Talent management specialists
- Business partners and department managers

# Course content
