Why Attend

Course Introduction

HR departments across the globe are increasingly being tasked with transforming into more strategic entities that contribute to organizational success.

But how can HR become a true strategic partner? This HR Strategy for Organisational Development training course offers participants the tools and expertise to transition from simply providing services to becoming a strategic partner, ensuring that the organization meets its stakeholder expectations.

This course is vital for any HR professional, regardless of industry or organization.

HR Transformation focuses on driving tangible results. This hands-on training will help you go beyond administrative tasks to implement HR initiatives that align with organizational goals, improving performance, stakeholder engagement, and ensuring the HR department delivers measurable outcomes.

The HR Strategy for Organisational Development training course includes:

- Best practices in Strategic HRM (SHRM)
- How to lead HR transformation in your organization
- Enhancing your HR function to better serve stakeholder needs
- Assessing HR's role in strategy development and execution
- Aligning HR strategy with organizational goals

Course Methodology

This HR Strategy for Organisational Development training course will utilize a variety of proven adult learning techniques to ensure maximum understanding, comprehension and retention of the information presented. This includes stimulating presentations supporting each of the topics together with interactive trainer lead sessions of discussion. There will also be many practical sessions where participants can practice and experience course-related activities. Practical and fun exercises, short video presentations, small group work, case studies and feedback will be used to facilitate learning.
